

DESIGN BRIEF

Company Name:

Groove

Company Description:

We make educational videos for learning Russian. We stand out because of our our worldclass experts. Our target audience is people on a budget. We want to convey a sense of comfort, while at the same time being old-fashioned.

Job Description

You must create a website that will mainly provide customer support for the company. The goal is to provide a great user experience. Besides the landing page, the website will need a about page, product pages and a privacy policy page. The landing page should have a Contact Us section. There should be a call to action to get users to call for more information. They would prefer a colorful design, and would like you to use the brand color, which is blue. Take into account the client's preferences and values.
